

Pray For Our Schools

August

Pray for all our local schools as they begin a new school year! May God bless all teachers, staff, students, and their families as they walk through this busy month.

September

Pray for God's presence and protection to surround all those who walk through the school doors. Ask God to grant wisdom to school leadership as they seek to maintain safety in all activities.

October

Pray for all school staff to feel seen and valued as they continue in their daily responsibilities. Pray that they know their work matters and patience for high schools as they are going through testing this month.

November

Pray for opportunities for believers within the school system to share the gospel with those around them. Pray for wisdom and boldness to step into opportunities to share Christ's love.

December

Pray for staff and students that have experienced the loss of a loved one throughout the past year, that they would be comforted going into the holiday season. Pray also for middle and high school students taking semester exams.

January

Pray that our schools would be a place of unity and peace and that all teachers and administration would have a renewed energy coming out of the holiday season as they continue to pour into students.

February

Ask God to bring to mind the name(s) of students and staff members in local schools. Pray for their renewed strength right now as the winter months can feel long and difficult.

March

Pray over elementary school staff and students as this is a large testing month for them as well as for high school juniors who will be taking the college readiness exams. Pray for their peace and ability to focus.

April

Pray for continued focus and perseverance for school staff and students as the school year comes to an end. Pray that teachers would have the needed energy and wisdom to support students who are struggling. Also pray for continued focus to finish the school year well!

May

Pray for our schools during this busy last month of the year! Pray for our seniors that will be graduating, that they can look forward with excitement for all God has planned for them in the future.
