

The cancellation of formal Serve Day on April 19 doesn't cancel the spirit of Serve Day. Let's continue to be #ForThe317 and #LoveOurNeighbor.

Here is a list your whole family can do to serve others during this time and maybe even create a new normal for the rest of the year.

- Bring a bag and pick up trash during a walk around the park or neighborhood.
- Put encouraging signs in your windows or yard.
- Create chalk art messages on the sidewalk.
- Pray over each house you walk by.
- Make encouraging cards and leave them on porches.
- Facetime or Zoom 5 people you don't talk to very often.
- Write Bible verses on sticky notes and put them around the house.
- Send a thank you card to staff at hospitals, assisted living, police department, fire department, grocery stores, etc.
- Send an email or ecard to your teachers.
- Volunteer/Donate to The Creek drive-thru food pantry.
- Look for other volunteer/donation options on thecreek.org/outreach.
- Do yard work for a neighbor that is trying to stay quarantined in their home.
- Pick up groceries for a neighbor in need.
- Make fabric masks and bring them to The Creek drive-thru food pantry.
